July Newsletter

Welcome to our July 2010 Newsletter, this will be a regular feature letting you know of the new services [Solus Leaflet Distribution Ltd](#) now offer and continue to enhance to enable us to better serve you and your business.

As this is our first newsletter, we would especially welcome your comments and input into anything you would like to see included in future releases.

NEW BUSINESS ENHANCING SERVICES

[Solus Leaflet Distribution Ltd](#) have been busily adding content and new features to our website to explain the new services we now offer.

Could you benefit from any of the following:-

Help with [writing your leaflet](#)? How about not having the headache of [Designing or Printing?](#) [Website](#) looking a little tired, we've even solved that problem for you!

Our Solus Leaflet Distribution service, guaranteed to be delivered on its own for maximum impact, still remains and we have taken our ethos from this service and applied it to every service we now provide.

OFFERS
